Part 2 Front body B Video 16' 08" (Part 1)

The front body is started with the adjustable magic ring and crochet in rounds counter clockwise along the beginning ring. You also need to change the yarn color during the process. When you work on the round 33, need to join it to the back body. Connect them to the half double crochets from round 32. After crocheting 210 stitches, you don't need to join the remaining stitches to the back body. Leave an open spot intentionally. Please refer to the video demonstration for more details.
